Speaker:

Dr. Leslie Ee ND was born in Borneo and raised around orchids his entire life by his grandmother and mother. At present he has over 500 orchids. He has travelled the world to attend orchid shows and nurseries. Leslie is an AOS Associate judge with the Toronto judging center as well as President of the Canadian Orchid Congress. His presentation is very enlightening, you will not want to miss this presentation.

MORONGO BASIN ORCHID FESTIVAL ORCHID SHOW:

At this moment we are preparing for the Morongo Basin Orchid Festival AOS Orchid Show in Landers at Gubler Orchids. RSBCOS hosts the show and it is sponsored by Gubler Orchids. The show will be held Saturday and Sunday, October 2-3, 2021. We will set up on Friday afternoon starting about noon. Watch for more details in the September newsletter. Put this on your calendar if you can help. We will also need help during the Festival on Saturday and Sunday. We will need all the blooming orchids we can get. If you have orchids that you wish to enter but cannot get them to Landers, please let Tom Gibbs know. He will make the arrangements to transport your orchids to and from the show. The show will be AOS judged and you might win an AOS award for your plant. We will keep you posted as the COVID virus is still very active.

THE HUNTINGTON LIBRARY AND BOTANTICAL GARDENS ORCHID SHOW:

The Huntington Library and Botanical Gardens is planning an Orchid Show for October 22 – 24. We do not know at this time if the venue will be outside or inside. We need to be thinking about how we can participate and support this show. We participated last year in their outdoor show and it was a success. We will keep you posted as we get word.

ONLINE SHOW-N-TELL ORCHID SHOW:

Forty-two orchids were entered and judged in Show-n-Tell this month. We want to thank all who were able to enter and remind you that your entries must be to Steve Trammell by August 20 to be judged. You can enter 3 x 5-inch prints if you do not have e-mail. We do not want to exclude anyone from entering. Our members are growing some fantastic orchids. Send your entries to Steve at swtrammell@msn.com.

MEETING IN PERSON:

There is no word yet as to when we will be able to meet in person. Please continue to advertise our society and invite people to join us at our monthly meetings and programs by ZOOM. Have persons contact Steve Trammell if they are interested in joining us by ZOOM. Also refer them to our website for more information about our society.

NEW GARDEN CLUB FORMING:

The B. E. E. Garden Club is being newly organized in Banning Estates in Banning. Our orchid society provided a blooming orchid (donated by a generous society member) for a door prize at their organizational meeting. This was good publicity for our society. We welcome this new club to our group of garden clubs in the California Garden Clubs Inc. and to the Palms to Pines District Garden Clubs Inc.

NEED A PICK ME UP CARD?

If you or someone in our society needs a pick me up card, please let Janet Parks know as she is now our Sunshine person. The society wants all our members and friends that we care and are concerned about to know that we are thinking of them. Janet's email is intprks@gmail.com and her phone number is 951-315-8273.

THE BYLAWS ARE BEING REVIEWED:
