The Huntington Library and Botanical Gardens is hosting the very first International Show Oct 16-18, 2015 (Southland turned it over to them). The society needs volunteers to help with all phases of this show. Our own society has the help from Bob Laughlin who will design the display, staging of the orchids will be at The Collins' residence and we desperately need volunteers to complete the project. Volunteers get free admission to the show as well as an "invite" to the Awards Dinner on Thursday night. Set up would take place on Wednesday, October 14, 2015 and judging on Thursday, October 15, 2015. Volunteers need to transport the orchids to the Huntington, set up the display and then we need volunteers on Sunday, October 18 to dismantle the display and take back to Gene & Sandy's house. There will be a sign up sheet at the August meeting to help us know how many members are willing to donate some time to this project.

### **About Our Society...**

The Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.
