Thank you to Nessa Rosenbaum for narrating out July dvd, "Pests". I'm sure everyone who attended learned a lot and it was great to see the pictures of the critters that can attack our beloved orchids.

The month of August will be dark, meaning we will not have a society meeting in August but will resume our regularly scheduled meetings in September.

Did you know? Our society started way back in 1953 and was incorporated in 1954. A brave bunch of orchid lovers gathered together and started the Riverside/San Bernardino Counties Orchid Society. They started out meeting in various homes until the membership got too big and they began meeting at the San Bernardino County Museum. The society met there for more than 40 years before moving to the Colton Community Center.

“Let us be grateful to people who make us happy; they are the charming gardeners who make our souls blossom.” – Marcel Proust

Remember:
 Support your local orchid growers and tell them you are a member of the **Riverside-San Bernardino Counties Orchid Society**. Who knows...you may receive a discount!
