Welcome new members! We hope that you will find the society to be a fun and educational way to learn more about growing orchids.

We need the support of all members of the society as we endeavor to participate in the upcoming Huntington show. The society has agreed to participate and volunteers are needed for the staging area, transport to and from, setting up and tearing down. This is a wonderful opportunity for some great fun and visiting with other societies. Please contact Tom Gibbs, 951-654-1437, if you are available.
