Refreshments & Judging Results 8:45pm

Raffle 9:00pm

### Meetings are held at the San Bernardino County Museum Second Thursday of the Month @ 7:30 pm Show-N-Tell @ 7:15 pm

Ron and Linda Lang, members of RSBCOS, Will be our speakers for the meeting. They are also members of the Redlands Horticulture & Improvement Society. Ron is 1<sup>nd</sup> Vice President of RSBCOS and Co-Chair with Joyce Dean of the Redlands Horticulture & Improvement Society's Floral Design Group, Linda is on our Board of Directors and our membership chair.

Ron and Linda are both NGC Accredited Flower Show Judges and are members of two Judges' Councils of California Garden Clubs, Inc., the Southwestern Judges' Council and the Judges Council of Southern California. Ron became accredited in 2008 and Linda in 2010. They have judged flower shows throughout Southern California.

Entering flower shows has been a love for both Ron and Linda. They have won several blue ribbons with entries in both Horticulture and Floral Design Divisions.

They will be presenting a "hands-on" Floral Design Workshop Program to help people become comfortable making floral designs for the home, competition, and gifts. Please bring some scissors and a small flat box for this demonstration.

Thank you Paul Bechtel for supplying the great opportunity table for January, the paphs were wonderful and much appreciated.

February opportunity table will be a member donated table so anyone who has a few extra they would like to donate to the society, please notify Ron Lang. Thank you.

In lieu of the RHIS show this year (it was cancelled) our society is putting all our efforts into this show. We need volunteers for the sales table, set up and tear down. All are invited to enter your beautiful orchids for judging as well as the floral arrangements we learn to make at the February meeting class by Linda and Ron Lang.

**About Our Society...**

The Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.
