We are pleased to have Mr. Roger Hayes as our speaker for the February meeting. Below is a brief bio from Roger about his orchids and what he has been up to.

I started growing orchids in 1976 while in graduate school when I lived with Mark Dimmit who got me involved with orchids. Mark was a member of the RSBCOS in the 70's before he left to be the Botanical Curator of the Desert Museum in Tucson. I raise Cymbidiums under 1,000 square feet of shade but I also have a 14' X 16' greenhouse where I try to raise mostly warm growers. My wife raises Phals in the house. I have my undergraduate and graduate degrees from UCR where I worked in Student Services for 35 years. I am a Biologist who also taught at RCC for almost 30 years. Sheryl and I retired in 2012 and now split our year between Riverside in the winter and our home at 9,000 feet in the Colorado Rockies in the summer. I was president of the RSBCOS in 1988/1989.

Roger will be providing the plant opportunity table for this meeting.
