Meeting @ 7:30 pm

We are pleased to have as our January speaker Prof. Bob Lauri.

Bob Lauri is a native Californian and has been growing orchids here for 30 years. He received his M.S. degree at San Diego State University where he completed his thesis "Comparative Floristic Study of Palomar Mountain State Park". During his thesis he began to study terrestrial orchids which created a specific interest, leading him to further his education. He is currently a PhD candidate at Rancho Santa Ana Botanic Garden and will be completing his dissertation soon. His dissertation focuses on a native California genus of terrestrial orchids known as *Piperia*. His study also has enabled him to grow and work with numerous tropical and terrestrial orchids native to North America, South America, Africa and Europe. Many of these orchids are beautiful and easy to grow here in Southern California. Bob will be discussing the genus *Zygo*.

December Show-N-Tell Winners

Our holiday pot luck was wonderful and we had lots to eat and lots of people to eat all the goodies. Thanks to all who provided the side dishes. So many wonderful food items to choose from that I think everybody took a bit of everything. Would the person who made the rocky road fudge please get in touch with Doreen Stewart, she would love the recipe.

And thanks to all who wished/sang Happy Birthday to me - that was so unexpected.

Enjoy having some refreshments?

Bring a treat and receive a free raffle ticket for the general raffle. Both snacks and beverages are most welcome.

It's Dues Time Again. That's right – January 1, 2017 is the beginning of a new year for the society and time to pay your dues. Please see Dann Dunst, our membership chair, at any of the meetings and give him your dues for the ensuing year. Unable to make the meeting, send to our PO box and we will update your membership.

Remember:

Support your local orchid growers and tell them you are a member of the **Riverside-San Bernardino Counties Orchid Society**. Who knows...you may receive a discount!
