We are pleased to have an old time favorite as our speaker for January, starting the year out right. Mr. Doug Overstreet with the topic “It’s Winter now but Spring is coming”.

DOUGLAS OVERSTREET was born and raised in southeastern New Mexico. Mr. Overstreet comes by his interest in plants and animals naturally. His family has been American farmers since 1684. He began growing orchids at the age of 10. The first orchid he purchased in 1972 was Cattleya Trimos, a primary hybrid between C. trianaei and C. mossiae. The first orchid he flowered was a phalaenopsis hybrid.

Doug moved to California in 1975 and continued his love affair with orchids. In 1984, his collection began to grow by leaps and bounds with his first professional job. He also became an active participant in the local orchid community. Over the years, Doug has served on the Board of the Orchid Society of Southern California, is a Past President and active board member of the Southland Orchid Show Committee. He is a former Ribbon Judging Chair for OSSC and is an Accredited American Orchid Society Judge in the Pacific South Region. Doug has written several articles for *Orchid Digest* and has served on the Editorial Committee of that publication as Assistant Editor. In 1998, he wrote, produced and hosted *Anyone Can Grow Orchids...Even You!*, a how-to video about growing orchids in the home. He is the orchid specialist in charge of the Thornton Conservatory of the Huntington Botanical Gardens.

Going once, going twice, SOLD!!

Our annual orchid auction has been finalized and will be held on March 19, 2016. Mr. Peter Lin will be our auctioneer and the Gonzales Bldg., Room A is the venue for the auction. Start now by volunteering to be a helper at the auction. We need runners, set up helpers, cleanup crew and so many more. Contact Nessa Rosenbaum at the January meeting to sign up. This is our only money making project of the year. It pays for rent, speakers, opportunity tables and so much more to make our society a great one. More info in the next newsletter. **Volunteer!!**

About Our Society...

The Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.
