Show-N-Tell @ 7:15 pm
Meeting @ 7:30 pm**

At the May meeting, Jim Spence treated us to 3 videos about orchids for us to watch. The last one was about pests and viruses. The members had a great time critiquing the video's and were especially interested in the pest and virus part. So for July we are going to show "Virus and Pests" will be the next topic for our members to familiarize themselves with these parasites. As it is time to start re-potting again it is a good time for a refresher class of what some of the common pests look like and the damage they can do to the plants and flowers. Our own Nessa Rosenbaum will be the narrator for this program.

Thank you to everyone who helped with the societies Installation and Awards ceremony. The food was great!! Thanks to Dann Dunst who took on the duties of Master of Ceremonies, Jim Spence for providing the wonderful series of pictures of the Show-N-Tell orchids taken throughout the year and to Max Fisher who stepped in and swore in all the board members for the ensuing term. Thanks to all who attended.

The month of August is going to be dark for the society, NO Meeting in August. We will resume regular meetings in September.

It is becoming increasing more difficult to get speakers. If you know of a speaker that you would like to hear at one of the society meetings, let one of the board members know so we can give them a call. Thanks. This is your society and the board wants to make sure it is the best it can be.

Show-N-Tell Winners for 2016-2017

Remember to pick up your new roster from Dann Dunst at the next meeting.

Wishing a speedy recovery to John Hasircogw, Jamie Stewart and Don Phillips who recently went through surgery.

**Celebrating our
65th year!**

Once again we will be partnering with Chris Gubler of Gubler Orchids for the orchid fest in October, the 6th & 7th. This was a great event for us last year and we hope to be able to do it again this year. What we need are volunteers! Yes, you. The ideal time to set up is Friday afternoon (or Sat. morn) when plants can be transported. On Saturday the show starts and will have AOS judging so start grooming your plants for this occasion. If you can volunteer some time it would be greatly appreciated. Just let one of the board members know. Thanks.

We are also involved with the Huntington Library and Botanical Gardens International show, this is also in October, the 20-22nd. Set up will be on Wednesday, October 18. Again we need people to transport, set up and tear down.

About Our Society...

The Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.
