**Regular meetings are held on the 2<sup>nd</sup> Thursday of the month.**

**Regular meetings include:**

**Plant Judging 7:15pm**

**Meeting 7:30pm**

**Speaker 7:45pm**

**Refreshments & Judging Results 8:45pm**

**Raffle 9:00pm**

**Meetings are held at the  
San Bernardino County Museum  
Second Thursday of each month  
Show-N-Tell @ 7:15 pm  
Meeting @ 7:30 pm.**

Come one, come all. This is the annual Installation Pot Luck. Join your fellow enthusiasts in congratulating those who will be winning prizes for “Member of the Year”, “President’s Award” and “Show-N-Tell”. We will be installing your new board members also. Get to know your board members, they put in a lot of time and personal effort to see our society is the best it can be. Want to be a board member? We have seats available to be filled.

This year’s theme is “South of the Border” and the society will be providing the entrée along with the potato salad, beans, rice and tortillas. As a Pot Luck, we ask you to bring a side dish, enough for you and to share with the rest of us. I personally don’t know how you all can be such good cooks and raise such beautiful orchids. Keep it up. Please remember to bring your own plates/silverware/drinks. Wine is acceptable if you wish to bring it.

Centerpieces are encouraged and will be judged, the first place winner will have first pick from the July raffle table.

Our speaker for the night is past President Dann Dunst who will enlighten us with his talk on Pleurothallids. Dann has worked very hard on a presentation and I’m sure it will be a good one. He will also be our Master of Ceremonies, thanks Dann. Dann’s bio is on page 4.

Dinner will start at 6:00 pm and Installation will begin at 7:30 pm. No Show-N-Tell for the evening but we will have an opportunity table supplied with gorgeous orchids from our friends Kalapana Tropicals in Hawaii a very generous donator to our auction. Buy lots of tickets as there will be some real treats.

Our June Program will be presented by Dann Dunst. Dann will discuss the challenges of growing Pleurothallids (Masdevallia, Dracula, Pleurothallis, etc.) in Inland Areas, especially that of temperature and humidity. His program will include all the cultural aspects of growing Pleurothallids, some suggestions for beginners, as well as unique photographs of many Pleurothallid species, that he has taken himself.

Dann has two greenhouses, one warm growing and one cool growing, and has been growing orchids for many years. His interest in orchids started with Cymbidiums, and then he gradually added a collection of Vanda, Miltonia, Paphs and Phrags. and of-course the Pleurothallids in which he currently has over 150 plants of that genera - mostly Masdevallia and Dracula. Dann says when he first saw a Masdevallia he thought it was some kind of a "space plant," and immediately fell in love with them, but soon realized the challenges of growing them in Inland areas. Always up for a challenge, he set up a cool growing greenhouse and the rest is history.

Dann is a past President of the RSBCOS, current Treasurer of the SOSC Committee, member of the Board of Directors for the SGVOH, past District Director of the Palms to Pines District of the CGCI. He attended the World Orchid Conference in Miami Florida in 2008 and the WOC in Singapore in 2011.

Dann is a retired middle school teacher, and aside from raising orchids, maintains several aviaries where he keeps exotic species of pheasants, doves, finches, starlings and other soft bills.

## Officers 2012-2013

President: Don Phillips  
 1<sup>st</sup> Vice President: Ron Lang  
 2<sup>nd</sup> Vice President: Nessa Rosenbaum  
 Board Secretary: Laura Gerdwagon, Jim Neuhalfen

Celebrating 61 years of Orchids

**About Our Society...**

The Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.
