We are pleased to be presenting the first half of a DVD that has been asked for time and again. "Orchids 101" will be presented at the October meeting with the second half to be shown in November.

This DVD comes to us from Fantasy Orchids in Colorado. It is a step by step instructional on how to take care of your orchids from the very beginning. What to look for, how to water, how to repot and so much more. It is a great instructional for the beginner to the more advanced grower.

Gubler Orchid Fest is October 7 & 8.
