We are pleased to have as our guest speaker Mr. Arthur Pinkers, topic to be Coelogyne.

Arthur has been an orchid enthusiast since age 16 (over 40 years) when he acquired a plant of Slc. Glittering Jewel (Sl. Gratrixiae x Slc. Hermes) and was infected by the orchid bug. He is married to Margie of over 25 years and has two adult children.

Arthur lives in Santa Clarita where the conditions are extreme for growing orchids and very different from his native Pacific Northwest where a greenhouse was a must because of the many cold rainy days.

He grew up in the Seattle area and attended Western Washington University graduating with a B.S. in Chemistry and Biology. He worked for many years as a chemist and had the fortune of having his dream job as the Lab Director for Beall Orchid Company until shortly before its close in 1990. Arthur's interest in orchids goes over a broad range of types though botanicals are a special draw. Arthur has served most executive positions on the Board of the Northwest Orchid Society and is a Past President. Arthur is an Accredited Orchid Judge of 20 years and serves as a one of the center photographers and as Center Judging Chair for the Pacific South – San Marino Judging center and before that as center photographer for the Pacific Northwest Judging region.

About Our Society...

The Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.
