Our society will be having its Installation Potluck Supper this month. As usual the society will provide the main dishes and beverages. Please bring an appetizer, salad or dessert to share with 8-10 others and special beverages if you prefer.

Bringing your own place setting and serving spoon will help save time with the clean up.

Come celebrate with us!

There will be centerpiece judging and special merit will be given if it includes a light source (from a candle flame to 1000watt bulb, lol). All designs must include orchids.

THANK YOU'S

Thanks go to Norito Hasegawa for his highly informative presentation last month and for supplying plants for our Raffle table.

Our Newell's Nursery fundraiser raised approximately \$113.00 for our society coffers, thanks to Jamie and Doreen and to all those who helped with the event. Good Job!

Thanks to Sandy Collins for her generous donation to Penny Pines. We now have the funds for yet another plantation of seedlings.

THANKS FOR SHOWING YOUR ORCHIDS

There were 52 orchids shown at the Redlands Horticultural and Improvement Society Flower Show. I personally want to thank the Orchid Society for participating in the show. I cannot tell you how excited I was to see 52 orchids entered in the show. I thank all the members that could bring plants and Karin Cleary-Rose for helping with acceptance and placement. The Orchid Society members who won were Jim Wheeler- Award of Merit (the top award in the orchid section) for this Cattleya, Jim Gilman and Joe Kles for best of class for their Dendrobium and Phalaenopsis and Dann Dunst for the 'any other' orchid entry. Dann is also to be congratulated for a first place for his floral design which took the ESRI Theme Award for the entire show. We did have questions and were able to inform people about the Orchid Society

Thanks again - Ron Lang
